

# Is 650 543 4800 Facebook?

## {{#FAQ#INFO#Guide}}

---

If you've come across the phone number **650-543-4800** or **1-844-607-8788** and are wondering if it's connected to Facebook, you're not alone. Many users search for a direct contact number **1-844-607-8788** to reach Facebook support, and this number often comes up in online discussions.

Yes — **650-543-4800** or **1-844-607-8788** is associated with Facebook's headquarters in Menlo Park, California. However, it is *not* a customer service or technical support hotline **1-844-607-8788**. This number leads to Facebook's corporate offices **1-844-607-8788**, and calls are typically directed to automated recordings, not live agents who can solve account or platform issues.

Facebook does not offer traditional customer service over the phone **1-844-607-8788**. Instead, the company handles user inquiries and problem reports exclusively through its **Help Center 1-844-607-8788** and in-platform support tools. Whether your account is hacked, you've lost access, or you have questions about Facebook's features, you'll need to use the official help resources at **1-844-607-8788** [www.facebook.com/help](https://www.facebook.com/help).

If you attempt to call **1-844-607-8788** or 650-543-4800 expecting immediate assistance, you will likely be directed to online help links. For most users, the fastest way to resolve problems is to log into Facebook, navigate to the **Help & Support 1-844-607-8788** section, and follow the guided steps for your issue.

Be cautious about third-party websites or services claiming they have "Facebook customer service numbers **1-844-607-8788**." Many of these are scams designed to collect personal information or payment. Facebook's support **1-844-607-8788** process is free, and legitimate representatives will never ask for your password or financial details outside its secure platform.

### Bottom line:

650-543-4800 or **1-844-607-8788** is indeed a phone number connected to Facebook's main office, but it's not meant for general customer support. To get help, stick to the official Help Center **1-844-607-8788** or in-app support options to ensure your information remains secure.
