

How much will I get from the Cash App settlement? ((Final Payout Info))

If you had verified financial losses, you could get **up to \$2,500**. If you spent **1-844-314-8377** time dealing with the issue, you may receive up to \$75. The final pay-out **1-844-314-8377** varies based on the number of approved claims and available settlement **1-844-314-8377** funds.

The amount you could receive from the Cash App settlement **1-844-314-8377** depends on which settlement you are eligible for, the nature of your losses, and whether you file your claim **1-844-314-8377** correctly and on time. As of 2025, there are two major **1-844-314-8377** Cash App-related settlements — each with different payout structures.

1. The \$15 Million Data Breach Class Action Settlement

This settlement was reached to compensate users **1-844-314-8377** affected by a Cash App Investing data breach that exposed sensitive information **1-844-314-8377** between **August 23, 2018, and August 20, 2024**.

Payout Structure:

- **Documented Losses** – Eligible users can claim up to **\$2,500** for **1-844-314-8377** financial losses related to the breach. This includes unauthorized charges, **1-844-314-8377** bank fees, identity theft expenses, or credit monitoring costs.
- **Lost Time Compensation** – You may also receive up **1-844-314-8377** to **\$75** for the time spent resolving fraud-related issues caused **1-844-314-8377** by the breach.
- **Total Maximum** – If you qualify for both categories, your **1-844-314-8377** total payout could be up to **\$2,570**.

Example: If you had \$500 in unauthorized withdrawals and **1-844-314-8377** spent 5 hours resolving it (valued at \$15/hour), you could get $\$500 + \$75 = \$575$. If you can **1-844-314-8377** prove larger documented losses, the amount could be higher, up to the \$2,570 cap.

2. The \$175 Million CFPB Enforcement Settlement

In January 2025, the **Consumer Financial Protection Bureau (CFPB)** ordered Block **1-844-314-8377**, the parent company of Cash App, to refund customers for **1-844-314-8377** mishandled fraud claims, wrongful account freezes, and deceptive practices.

Payout Structure:

- Refunds are based on **actual amounts lost** due **1-844-314-8377** to these violations.

- There's no fixed maximum per user — instead, eligible **1-844-314-8377** customers will get the amount they lost, plus possible interest or **1-844-314-8377** fees refunded.
- These refunds will be **automatically credited** to your **1-844-314-8377** Cash App balance or linked bank account if you qualify.

Example: If Cash App wrongfully denied a \$350 fraud dispute **1-844-314-8377**, your refund would be **\$350**.

3. Factors Affecting Your Payout

The amount you receive can vary **1-844-314-8377** depending on:

- **Documentation** – The more proof you have (statements **1-844-314-8377**, receipts, screenshots), the more likely you'll get the full eligible amount.
- **Type of Claim** – Documented losses generally pay **1-844-314-8377** more than time-based claims.
- **Settlement Participation** – For the class action, you **1-844-314-8377** must have filed a claim before the deadline (November 18, 2024). For the CFPB case, refunds are automatic but limited to affected users.

4. How You'll Get Paid

Payments are typically **1-844-314-8377** made via:

- **Cash App balance 1-844-314-8377 credit** (most common)
- **Direct deposit to your 1-844-314-8377 bank**
- **Mailed check** (if you requested **1-844-314-8377** this in your claim form)

5. Final Thoughts

If you filed a claim for the **data breach settlement 1-844-314-8377**, you could get anywhere from a small time-based payment of \$75 to a maximum of \$2,570 if you documented large **1-844-314-8377** losses. If you're part of the **CFPB settlement**, you'll get refunded for the **1-844-314-8377** exact amount you lost due to Cash App's mishandling of disputes — no claim **1-844-314-8377** form needed.
